resolution:—

It is with much regret that we record the death of several of our members within the last few weeks—namely:

Mrs. Benjamin Rand

Mrs. Murta

Miss Elizabeth J. Barner

Miss Harriet Thrasher

Three of the ladies had been members of the Missionary Society for many years. We shall miss their presence and interest in the work of missions—

In this group Miss Barner, the daughter of the Rev. P. Heber Barner, assistant rector of Christ Church, has proved herself a valued member in many ways, acting for several years as our treasurer and as the purchasing committee for securing the articles needed for the missionary boxes.

We record her death with sorrow and spread upon the minutes of our society this testimony of her worth -

Mrs. Gill made a motion that this action be carried out -

Miss Blaxton made an amendment that the resolution in regard to Miss Barner be copied and sent to Mr. Barner -

Mrs. Gill suggested that a copy of the treasurer's annual report be sent to both Mr. Wm White and the rector -

Mrs. F. Hewson-Bradford,
1802 De Launcy Place,
Philadelphia, Pa.

Dear Mrs. Bradford:

My first duty after again reaching home is to acknowledge with sincere gratitude the receipt of the box containing your most acceptable and valued gift. Everything came as enumerated in your letter, except that two stoles instead of one were found

11

The articles are all of
superior quality and
perfect fit. My only regret
is that I cannot by any
words of my own make
you understand my gra-
titude for your most ex-
cellent and timely gift.

In obedience to your re-
quest to write Mrs Paynter,
I have done so, addressing
her letter to your care, and
I beg you will get it to
her.

I did not take my fi-
nal exam. for Deacons
Orders last week, but will

iii

by God's help, do so in May.

You will, I know, be delighted to know that the Altar-hangings were received by my people with joy, especially as, during my absence, one of my members made with his own hands a beautiful Altar (which would grace a church of more classic pretensions) and installed it.

God bless you, the Ladies of St. Stephen's Church, Bridesburg, and all others who had a hand in being a blessing to me at this

season of the year.

Wishing you and all
of you ~~A Merry Xmas.~~
and Happy New Year.

I remain

Yours ever grateful

My dear Madame:

This is
anniversary week. By that
I mean that it is just one
year since mother and I
received the splendid box
from the Ladies' Missionary
Society of Christ Church
Philadelphia.

Will you not
kindly tell the ladies once

more of our thanks to
them for that favor, and
that we are still enjoying
the many expressions of
their goodwill contained
in the box.

May you continue
to make others happy.

Sincerely,

James E. Broskie
and mother.

P.S. send any second hand clothing to Miss Lillian Phillips, Tennessee City, Tenn. We are caring for two young men at Monterey and three in seminary from your diocese

Dear Mrs. Bradford:

Jan. 29th, 1915.

We have just secured, by a small payment down, a large building, in need of repair, as a permanent center for our mountain work at Monterey, Tenn., with a tract of 100 acres, overlooking the beautiful valley; altitude, 2000 feet. It is admirably suited for our needs and helpers are already at work, several without salary, visiting and nursing the sick, and giving instruction and sympathy. Here we are training twelve missionaries for this and other social service work, or for entrance to the seminaries.

The people in the surrounding mountains are very poor, subsisting often upon corn-meal alone. Picture to yourself a one-room cabin on the side of the mountain, surrounded by a little patch of stunted corn; a family of ten or twelve, pale, emaciated, and languid from the effects of the hook-worm; without vitality to combat the disease so easily cured; two of the family perhaps afflicted with tuberculosis; all drinking from the same dipper; the children often sleeping five or six in a bed; some attacked by the dreadful pellagra, which gradually breaks down the nervous system, resulting in insanity and death. What wonder these diseases are spreading so rapidly under such conditions? To help these people, we have located our house as a center of instruction. If our workers give their services, will you not help to sustain them?

We have arranged for a small hospital in the building, but we are as yet entirely without the necessities, surgical instruments, etc.,

At the Selah Camp for Tuberculosis about a mile away from our building, the demand for the care of the diseased and poverty stricken people is so great that we are unable to treat more than a few there for want of means, and these often lack the necessities. Surely these Anglo-Saxon people of our nation deserve our help, instruction and care, and our cry will not go unanswered by those who hear it and are better provided for.

Monterey is in the midst of forty counties without our Church ministrations, and with few schools. These have a term of scarcely three months, and we hope to supplement this scanty instruction through the effort of our helpers \$250 will provide a missionary and start him into the ministry; \$50 annually provides a mountain child with board and schooling; \$25 furnishes a tuberculosis tent complete. Miss Elizabeth D. Whitmore is House Director and Mr. Horace P. Cooper, Principal.

If you cannot help us with money to pay for our building, etc., send us a box, staple groceries, or surgical instruments and material for the hospital, such as a sterilizer; paints, tools etc.

Faithfully yours, *any color*

Dear Madam

Oklahoma City, Okla., 2nd Dec 1915

Receiving date 22nd Nov.

I hasten (on receipt of your letter, this morning) to write to you inasmuch as my letter of yesterday would necessarily cause some anxiety - To Explain thro some misunderstanding at the Post Office my letters which had been sent to N York during my stay there were continued, altho notification had been given ^{of my return} so the letter was returned to me by my wife, from N. Y. today. Please accept my sincere thanks for Five dollars received as per check. as well as for the very kindly expressions of good will contained in your letter. I pray that the blessings of our Heavenly Father may richly descend on us all during this coming year, and as a result thereof - our work shall prosper

Very respectfully

Yours

J. Edmead
